

Andover Neighborhood Association, Inc Mailbox Specifications & Standards

- Mailboxes and posts must be black metal or black painted wood depending on the section of the neighborhood. Mailbox flags must be red. Brass, screw-in numbers or the Andover mailbox decal are preferred.
- All posts and mailboxes should be kept in good condition and proper working order. Generally, this means the mailbox and post are painted and free from damage, the post is upright, not leaning, the mailbox door and flag are functional, and the address numbers legible and secured to the mailbox.

Metal Post

Wooden Post

- Metal posts must be ordered from **Kentucky Ornamental Iron: (859) 225-7791 or sales@kentuckyornamentaliron.com**.
- Wooden posts can be replaced with an exact match from a local home improvement store.
- Mailboxes can be ordered from www.melnorthey.com or replaced with a match from any local home improvement store.
- If you are interested in purchasing a mailbox address decal pictured below, please write a check for \$20 per mailbox label, payable to All Points Community Management, and mail it to our office using the address below. Please make sure your property address is included and write in mailbox decal on the memo line of your check.
